Robin Plays in Nice, So Royal Romance Off

LONDON, (Reuters). — News paper gossip writers conclude unanimously that Mr. Robin Douglas Home has given up hopes of marrying Sweden's Princess Margaretha.

They asserted this on Tuesday following the disclosure that the 25-year-old suitor has agreed to play the piano in a Nice casino for a week from August 17. Mr. Douglas Home will get no fee for his engagement at the Negresco Hotel — but he will receive free board and lodging during his stay.

The gossip writers conclude this means the end of the affair because Princess Glia, mother of Margaretha, was strongly opposed to his previous public piano playing. Handsome, fair-haired Robin, member of an ancient Scottish aristocratic family, still refuses to say whether the romance is over.

'GRAETZ' MAY BECOME GRAIN STORE

HAIFA. — The Dagon Co. is negotiating with ZIM for the use of the freighter "Avraham Graetz" as a temporary grain store. The 30-year-old ship, which has been idle for a long time, could hold over 9,000 tons, while heavy grain imports in recent months have taxed storage facilities to the limit.

The "Har Tor," one of the M. Yam company's four new bulk carriers, is due here for her first call this weekend. She will bring a cargo of grain from the U.S. The 14,000-ton ship was launched last January and is under charter to carry American coal to Germany and a limited quantity of grain to Israel.
